2016 MAP NEIGHBORHOOD CONFERENCE

Healthy Communities, Health Homes, Healthy People

The City of Monrovia invites you to the 7th Annual MAP Neighborhood Conference!

Saturday April 23, 2016
9:30 a.m. – 3 p.m.

Monrovia Community Center
119 West Palm Avenue
Monrovia, CA 91016

MAP is a partnership of residents, agencies and city departments, joining unique skills, knowledge and expertise to make Monrovia a strong and vibrant community. Since 2006, MAP has worked year round to develop and promote programs that enhance public trust, practice effective problem solving and educate residents on the subjects of neighborhood safety and community pride.

This event only comes once a year and it's not to be missed. Be sure to save your spot by registering early and tell your friends to do the same. At the Conference, participants will enjoy free food, workshops, an information/health fair and small group discussions with other residents, community leaders, city staff and local organizations. This event is free, fun and a great way to be part of Team Monrovia!

Join us to celebrate our community and learn about all the ways we continue to work together for a stronger Monrovia. Register today to save your spot in workshops like:

- Achieving Renewal for Monrovia
- How to Grow a Vegetable Garden
- Coffee with a Cop
- Examining our Snack Foods
- Drought Tolerant Landscaping
- ChangeMakers & The Monrovia Legacy Project *and much more!*
